Curriculum Statement

Al Ameen Primary School's curriculum is underpinned by the values that we hold dear at our school. We deliver most of the primary National Curriculum and refer to its guidance in our delivery.

Our schemes of work reflect the content and challenge of the curriculum. Teachers have received training in key areas of the curriculum and are ready to provide outstanding curriculum provision.

The curriculum will be taught with consideration for the needs of all learners. Our curriculum will be exciting. It will inspire children and nurture a passion for learning.

We will assess pupils by using both formative and summative methods.
